

Manufacturers Alliance COMPANY MEMBERSHIP

Helping you develop better leaders and problem solvers by providing training and education taught by experienced peers

YOUR COMPANY MEMBERSHIP INCLUDES

Digital Courses

Interactive, on-demand training taught by experienced peers, so your workforce can spend less time traveling and more time developing lean and leadership skills

Educational Webinars

Bring fresh perspectives on leadership and operational excellence from experienced peers back to your company, so your team stays current

Workshops & Certifications

Discounts on training so you can learn to solve problems, develop a cohesive team, and get better results

Peer Groups

Discounts to join a group so you can learn how your peers are improving and see best practices on plant tours

If you are not developing your workforce...

People will do what's always been done
Processes will be filled with waste
Performance will lag behind the competition

Annual Membership Fee

2-300 employees: \$695
301 or more: \$895
